RESPONSE TO NOTICE OF
ABANDONMENT

October 10, 2007 (e-filed)

Sir:

In response to the Notice of Abandonment mailed October 3, 2007, please enter the following remarks:

On September 12, 2007, the examiner telephoned the undersigned to inquire as to the status of the instant application. The undersigned had indicated that it did not appear a response had been filed. Shortly, afterwards, the undersigned learned that a response had been prepared and was ready to be filed on the due date of September 9, but had not been filed. The undersigned immediately prepared a petition to revive the instant application from unintentional abandonment and e-filed it along with a response to the Office action of March 9, 2007, later that day.

This notice appears to have crossed with the e-filing of the petition to revive and response made on September 12, 2007. It is believed the petition and response are properly

before the PTO for consideration, and that withdrawal of the holding of abandonment is proper.

Respectfully submitted,

/George B. F. Yee/
